

-4-

89. The polynucleotide of Claim 85 wherein the fragment comprises sequences within 1-235 of p75.
90. The polynucleotide of Claim 85 wherein the fragment comprises sequences within 1-182 of p75.

REMARKS

The Amendment present claims drawn to Group III of the restriction requirement set forth in parent application Serial No. 08/013,413 (Paper No. 8). No new matter is added by the Amendment.

Respectfully submitted,
